Help the children at GOSH this year

Happy New Year Friend,

Thank you for being one of our fundraising champions. You've helped raise an incredible amount of money, which will have a life-changing impact on the seriously ill children and their loved ones at Great Ormond Street Hospital (GOSH). We can't thank you enough for your support - you're amazing!

But there is much more we need to do. Every day, **260** new children arrive at GOSH, many of whom are seriously ill, and four go straight to intensive care. Every day, **338** procedures are performed at the hospital. This extraordinary place has always depended on public support to give seriously ill children the chance for a better future. With new challenges every day, and more and more children requiring treatment at the hospital, we need your support more than ever.

Support the hospital in 2017!
